

# GROW AT HOME – MARCH 2025

Hey families! Here's a look at what we're covering this month so you can continue to grow at home during the week.

## DISCIPLESHIP EMPHASIS THIS QUARTER

**Spend Time With God:** Spending time with God is about helping individuals and families develop personal spiritual disciplines. It can look like opening the Bible, talking with God through prayer, discovering how they best connect with God through worship, and whatever else helps them connect with God personally. When we spend time with God, our faith grows!
